I understand that this information serves as:

- A basis for planning my care and treatment,
- A means of communication among the many health professionals who contribute to my care,
- A source of information for applying my diagnosis to my bill,
- A means by which a third-party payer can verify that services billed were actually provided, and
- A tool for routine healthcare operations such as assessing quality and reviewing the competence of healthcare professionals.

I understand and have been provided with a Notice of Privacy Policies that provides a more complete description of information uses and disclosures. I understand that I have the following rights and privileges:

- The right to review the notice prior to signing this consent,
- The right to object to the use of my health information for directory purposes, and
- The right to request restrictions as to how my health information may be used or disclosed to carry out treatment, payment, or health care operations.

I understand that Charleston Neck & Back Center is not required to agree to the restrictions requested. I understand that I may revoke this consent in writing, except to the extent that the organization has already taken action in reliance thereon. I also understand that by refusing to sign this consent or revoking this consent, this organization may refuse to treat me as permitted by section 164.506 of the Code of Federal Regulations.

I wish to have the following person(s) to have access to my protected health information:
